**MONGOL RALLY
2013**

Chris is driving a tiny, 1.2 liter Fiat Panda through 12 countries, 8 time zones, brutal terrain, with no set route, and no support. Why? To raise a bucket of cash for charity while having a once-in-a-lifetime adventure.

It's called **The Mongol Rally**.

It starts July 14.

It'll take 6 weeks (...mmmaybe 7).

YOU can come along without a drop of sweat by contributing to the success of the rally! Find out how at
